

**Council of Young Scientists  
V.M. Gorbatov Federal Research  
Center for Food Systems**

## **INFORMATION LETTER**

*Dear colleagues!*

We invite you to participate in  
XV International scientific and practical conference of young scientists and specialists  
**"Current issues and modern solutions in food systems"**  
(Moscow, September 20-22, 2022)

**Conference organizers:** V.M. Gorbatov Federal Research Center for Food Systems of Russian Academy of Sciences (26 Talalikhina str., 109316, Moscow, Russia).

**We invite to participate:** young scientists, postgraduate students, masters, specialists and bachelors from research universities and higher education universities of Russia and abroad under the age of 36 years.

**Conference aim:** to discuss and exchange the latest research and hands-on results in the field of food systems.

### **Young Scientist Conference Awards:**

- best research work in Russian;
- best research work in English;
- best poster;
- best collaborative research work

Authors of the best research works and best poster will be awarded with diplomas of the Russian Academy of Sciences or the Ministry of Science and Higher Education of the Russian Federation, V.M. Gorbatov Federal Research Center for Food Systems of RAS and memorable awards in three groups (academic years 2021-2022):

- Bachelors of 3 and 4 years of study, specialists of 4 and 5 years of study and masters;
- Postgraduate students of the 1st and 2nd years of study, young scientists and specialists who are not studying postgraduate program;
- Postgraduate students of 3rd and 4th years of study, young scientists and specialists with PhD.

Official languages of the Conference are Russian and English.

### **Participation conditions:**

Please fill in **online registration form** until **June 20, 2022**:
